This Appendix 1 shall apply to Goods, Service, Software and/or Works supplied under any Order placed by Buyer which incorporates this document by reference. Buyer and Supplier shall be the same as those defined in the Order listing this Appendix 1.

I. The FAR and DFARS clauses cited herein are incorporated by reference at the effective version found in Buyer's Prime Contract or higher-tier subcontract under which the Order relates (is a subcontract) and with the same force and effect as if they were given in full text, including any notes. In the event of any conflict between the provisions listed herein and any other terms of the Order, the terms of the Order shall supersede.

II. The listed FAR and DFARS clauses are incorporated herein as if set forth in full text of the Order and shall apply to the extent which that clause is not otherwise exempted or excluded by the applicable Federal Acquisition Regulation ("FAR") or Defense Federal Acquisition Supplement ("DFARS") regulation or provision.

III. Supplier shall include the appropriate FAR and DFARS clauses as required in any lower-tier Subcontract.

IV. Where necessary to derive the proper meaning under any applicable FAR and DFARS clauses, the terms "Contractor" means "Supplier", Contracting Officer and/or Administrative Contract Officer means "Buyer", "Contract" means the Order incorporating this Appendix 1 and "Government" and "United States" means "Buyer or the Government" as applicable. However, the words "Government" and "Contracting Officer" do not change: (1) when a right, act, authorization or obligation can be granted or performed only by the Government or the Prime Contract Contracting Officer or duly authorized representative, (2) when title to property is to be transferred directly to the Government and (3) in FAR 52.227-1, 52.227-2 and DFARS 252.227-7013 and 252.227-7014.

V. Supplier and Supplier's subcontractors shall abide by the requirements of 41 CFR 60-1.4(a), 41 CFR 60-300.5(a) and 60.741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, colour, religion, sex or national origin. These regulations require affirmative action by covered prime contractors, and subcontractors to employ, and advance in employment of individuals without regard to race, colour, religion, sex, national origin, protected veteran status or disability. For the avoidance of doubt subcontracts shall include sub-suppliers in all forms.

VI. Any reference to “Disputes” clause shall mean Disputes/Jurisdiction in Buyer's terms and conditions of purchase referenced in the Order.

VII. In the event that the U.S. Government modifies the FAR or FAR supplements, or otherwise passes laws or regulations and such FAR, FAR Supplements, laws or regulations, include a requirement for Buyer to flow down such requirements to Supplier, then such FAR, FAR Supplements, laws or regulations shall apply to Orders placed including this Appendix 1 after the date that such FAR, FAR Supplements, laws or regulations become effective and shall take precedence over any conflicting provisions contained in this Appendix 1 with respect to Works destined for US Government end use.

VIII. Notwithstanding anything herein to the contrary in this Appendix 1 Supplier confidential financial data, including but not limited to rates and make up of such rates, shall only be submitted directly to the US Government.

IX. If Buyer furnishes designs, drawings, special tooling, equipment, engineering data, or other technical or proprietary information (Furnished Items) which the U. S. Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that Buyer, acting on its own behalf, may modify or limit any rights the Government may have to authorize Supplier's use of such Furnished Items in support of other U. (a) Definitions. As used in this provision--
"Lobbying contact" has the meaning provided at 2 U.S.C. 1602(8).
The terms "agency," "influencing or attempting to influence," "officer or employee of an agency," "person," "reasonable compensation," and "regularly employed" are defined in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12).

(b) Prohibition. The prohibition and exceptions contained in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12) are hereby incorporated by reference in this provision.

(c) Certification. SUPPLIER hereby certifies to the best of its knowledge and belief that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of an Order.

(d) Disclosure. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the offeror with respect to this Order, SUPPLIER shall complete and submit, with its offer, to BUYER OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. SUPPLIER need not report regularly employed officers or employees of the offeror to whom payments of reasonable compensation were made.

(e) Penalty. Submission of this certification and disclosure is a prerequisite for making or entering into this Order imposed by 31 U.S.C. 1352. Any person who makes an expenditure prohibited under this provision or who fails to file or amend the disclosure required to be filed or amended by this provision, shall be subject to a civil penalty of not less than $10,000, and not more than $100,000, for each such failure.

52.209-5 Certification Regarding Responsibility Matters.

(a)(1) SUPPLIER certifies, to the best of its knowledge and belief, that--

(i) SUPPLIER and/or any of its Principals--

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of Orders by any Federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(i)(i)(B) of this provision; and

(ii) Supplier has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(D) Have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an
amount that exceeds $3,500 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples. (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment; and similar positions).

(b) SUPPLIER shall provide immediate written notice to BUYER if, at any time prior to contract award, SUPPLIER learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that SUPPLIER knowingly rendered an erroneous certification, in addition to other remedies available, BUYER may terminate this contract for default.

52.222-22  Previous Contracts and Compliance Reports.
